Build Recurring Monthly Income by Digitizing Print Counters Across India
Zero Investment • Flexible Schedule • Up to 50% First Sale + 30% Lifetime Renewals

1. Why Become a PrintDrop Authorized Partner?

• 100% Flexible Schedule: No 8-hour daily mandate. Work at your own convenient day and time — as a high-earning side income or full-time territory business.

• Easy, Self-Selling Product: Solves the #1 daily pain of print counters (WhatsApp Web clutter, full phone storage, manual billing & customer privacy). A 2-minute demo sells itself.

• Massive Local Market: Every print shop, cyber café, stationery store, college belt, court complex & document center is a ready prospect right in your city.

• Up to 50% First-Sale Profit: Earn 40% to 50% share on every shopkeeper's first Unlimited Subscription — up to Rs. 1,120+ instant payout on a single Annual Plan!

• Automatic 3-Tier Volume Slabs: Bronze (40%/20%) -> Silver (45%/25%) -> Gold (50%/30%) as your active paid shops grow — 100% transparent & automatic.

• Income Grows Without Extra Effort: When a shop starts on a small Rs. 70 Page Wallet and upgrades to Monthly/Annual Unlimited as customer volume grows, your earnings scale automatically.

• Onboard Once, Earn Repeatedly: Put in the effort once to onboard the shop. Every future renewal & wallet top-up generates recurring passive income for you.

• Dedicated 24/7 Partner Sales Portal: Your own mobile-friendly HTTPS Sales Portal to track clients, 7-day renewal alerts, live tier progress, ledger, UTR payouts & offline backups.

2. Built-In Platform Advantages That Help You Close Faster

• Zero Investment & Zero Inventory: No franchise fee, no deposit, no hardware stock — start immediately with just your smartphone.

• 1-Month (30-Day) Free Trial Door-Opener: Shopkeepers try PrintDrop free for 30 days (300 test pages) with zero risk, making conversions effortless.

• Zero Technical Support Burden: Auto-updates (OTA) and built-in 1-Click Remote Desktop Support are 100% handled by TechnoSoft Solution.

• Ready-Made Bilingual Launch Kit: Instant printable English + Hindi / Marathi Countertop Standees, Pitch Flyers (PDF) & WhatsApp scripts pre-branded with your Partner ID.

3. Dynamic 3-Tier Revenue Share Slabs

Silver Partner	11 - 30 Active Shops	45%	25%	25%
Gold Partner	31+ Active Shops	50%	30%	30%

Smart Upgrade Rule: Upgrading a shop from a Rs. 70 Page Wallet to its first Unlimited Subscription still earns the full Subscription First-Sale Share (40%-50%). Monthly settlements on the 5th via UPI/NEFT (min payout Rs. 500).
